

## OUR INVENTORY SERVICES

Alden offers a range of complete Central Office service packages including inventory data collection, program management, methods & procedures development and purchase & installation job auditing.

Our employees are industry veterans. Their extensive experience allows us to continually improve our procedures as business needs change, as well as the ability to provide services that are efficient and cost-effective.

*Our services combine experienced people with specialized software ensuring your project is a success.*

### BENEFITS

- **Accurate information for asset locations**  
*Do you know where your assets are?  
For emergency situations? For manufacturer recalls?  
For acquisitions and mergers?*
- **Purchase verification**  
*Did you receive exactly what you purchased?*
- **Defer purchases through optimum asset re-use**  
*Are you buying assets you currently have available?*
- **Track assets by retirement unit**  
*Do you know what is in the vendor package?*
- **Satisfy finance, auditing and SOx requirements**  
*Can your records withstand regulatory compliance?*
